Dear Sir/Madam

Subject: Appreciation Letter On Orphans and Vulnerable Learner Support Received.

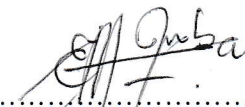

Having experienced a huge number of **orphans** and **vulnerable** learners at my school, who are without proper and descent **school uniform** and other **learning support** become a major concern not only for government but also for us as teachers who are in a day to day contact with these learners.

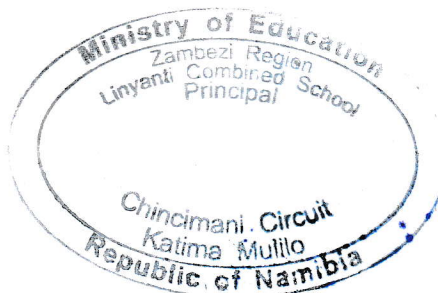

I sincerely and most heartedly on behalf of the Learners, School Management, School Board, Staff, Parents and indeed the Ministry of Education, Arts and Culture, appreciate the school uniform support received from the **"Grace for Orphans Scholarship Fund"**.

We fully believe that this support will change and influence the beneficiaries and encourage them to do better in their education. The support to our ten (10) Vulnerable and Orphaned learners will have an impact in their lives, and thus I say thank you for the gesture shown to our learners.

Dear manager of **Grace for Orphans Scholarship Funds**, kindly accept the assurances of my highest consideration.

Yours Faithfully

Re: appreciation letter

The school management of the above mentioned school would like to thank you for donating school uniforms to our vulnerable and orphaned learners.

We truly appreciate your continuous support and your very generous donation. This is a great thing you did as it motivated learners to do best in school, since they now feel the same as others wearing the school attire.

Thank you once again and we wish your organisation some more blessings from above

Sincerely
